

Entering scores in TourneyKeeper

1. Visit **TourneyKeeper.net** using a browser and log on by using the username/password you signed up for the tournament with. **For team games** - make sure your captain has created the pairings.

2. Click your name in the top-right corner.

3. The top game will list which table you are to play on. Click **Result** to enter results for the game.

4. Enter results and click **Save game**.
